Dear Sir or Madam:

In response to your letter dated October 27, 2006, I am amending our Committee's report for the period May 18 - June 30, 2006 (the July 15th Quarterly report) to provide further clarification on a few disbursement descriptions (see marked items) as well as to re-designate certain contributions from the Primary Election Cycle to the General election cycle 2006.

Our committee consistently uses "best efforts" to obtain employer and occupation for all contributors (even those under the \$200 threshold). We have a 3 step approach as follows:

- 1) Our Finance and Fundraising Team will call the contributor and the host of events to obtain missing information.
- 2) Our Compliance Staff will search FEC and State databases for missing information, then will search via google
- 3) In addition to the above, we retain part-time employees whose sole function is to scan our reports for missing or "Information Requested" records and send out letters in order to secure all information on a timely basis.

Concerning refunds for Richard Austin and Steven DiStefano for \$4200 each, the primary contributions for both Mr. Austin and Mr. DiStefano were made on 6/1/06 in the amount of \$4200, refunded on 6/5/06.

As to redesignations, Robert P. Bennett of San Diego, CA made a \$2100 primary contribution on 6/30/05. Robert Bennett of Seaside Hts, NJ made a \$1000 primary contribution on 3/30/06 and another Primary contribution on 6/30/06. These are two different individuals.
